Dear Families,

It is a pleasure to serve as the principal of Lansing Elementary School. This is my 19th year working in the Lansing School District and 4th year serving as an administrator at Lansing Elementary School. We are excited to facilitate a rigorous educational experience for all our students! Our building theme for the 2023-2024 school year is "STARS." We look forward to celebrating our stars with you!

At Lansing Elementary School, we believe:

- All children can learn
- Learning is a life-long process
- Positive attitudes & mindsets promote learning that is fun and engages the mind
- Developing & sustaining relationships is important to ensure everyone feels valued
- Collaboration is critical to meet the needs of all students

We look forward to partnering with you!

Respectfully,

Dr. Jennifer R. Kolb
