

# LANSING UNIFIED SCHOOL DISTRICT 469

200 E. Mary St. Lansing, Kansas 66043 (913) 727-1100

March 2, 2018

Parents, Guardians, and Colleagues:

The LHS Kays Club is organizing the Fourth Annual Charity Drive to gather food and other basic supplies for area residents in need of assistance. Collection barrels have been placed in all schools and I have attached the list of requested supplies. The program ends March 29<sup>th</sup>.

With the help of the Kays Club sponsor, the students set a collection goal and work selflessly to achieve it. Traditionally, if that goal is achieved, the school district has rewarded this district-wide effort with a “Sunny Day” off of school if any “extra” school days are still available. As you know, we only have one day available but, if winter weather is finished with us this year (keep your fingers crossed), the day off will be scheduled for mid to late April. To help you plan for this contingency, I will email you about that date next week.

In other district news, all schools will conduct their next lockdown drill this month in coordination with the Lansing Police Department. You can read about our school safety and security plans here: <http://www.usd469.net/index.php/resources/student-safety-security>. Also, please feel free to nominate any of our teachers or educational support people for the annual Lansing Educational Foundation awards. The nomination forms can be found at <http://www.usd469.net/>.

Please let me know if I can be of any service and thank you for supporting Lansing USD 469 and Kansas public education. Have a great weekend!

Darrel Stufflebeam, Superintendent of Schools
