

LANSING UNIFIED SCHOOL DISTRICT 469

200 E. Mary St. Lansing, Kansas 66043 (913) 727-1100

February 13, 2018

Parents, Guardians, and Colleagues:

Our school board voted to move ahead with opening Lansing Intermediate School (the former middle school on Ida Street) this coming school year for grades four and five. We are finalizing plans for a new security entrance, playground, and other improvements and renovations. We are excited about the prospect of using this terrific learning space and opening up a lot of room at LES. Both buildings will have a lot of extra space to improve our instructional programs, create new programs, and provide for future growth.

We are continuing to make tremendous progress with our Kansas Education Systems Accreditation (KESA) process as well. Our math teachers are piloting new resources and we are working hard to align our curriculum and instruction with the state's learning standards. As always, we are examining a wide variety of options and programs aimed at helping students be even better prepared for their careers and education after high school.

We have created a separate website to help you follow our school improvement initiatives, which you can view here: <https://sites.google.com/usd469.net/teachinglearning/home>

Please don't hesitate to contact me if I can be of any service and thank you for supporting Lansing USD 469 and Kansas public education.

Darrel Stufflebeam, Superintendent of Schools
