

# LANSING UNIFIED SCHOOL DISTRICT 469

200 E. Mary St. Lansing, Kansas 66043 (913) 727-1100

February 15, 2018

Parents, Guardians, and Colleagues:

Yesterday's school shooting in Florida is another horrible reminder of how critical it is for us to remain vigilant about protecting our students. We have the best plans possible and we regularly practice implementing those plans but our best strategies are constant awareness and communication. Please remind your kids to tell an adult if they see or hear anything suspicious.

On a related note, we are in the process of constructing a secure entrance at Lansing Intermediate School and are also examining security upgrades at LES. Prior to yesterday's tragedy, we scheduled an inspection with a representative from the Department of Homeland Security to offer advice about additional security measures at all of our schools.

Please know that the safety of Lansing students is our absolute top priority and we are constantly working to improve school security.

Darrel Stufflebeam, Superintendent of Schools
