Dear USD #469 Teachers and Educational Support Professionals,

The Lansing Educational Foundation is incredibly proud to be able to support you as teachers and staff in the Lansing School District. As you know, our vision is to enhance the education of all the children in our schools. We have been successful over the last 19 years in accomplishing this goal through our Educate the Pride Grants, special projects, and events. We want to continue to reach more of you and your students through technology, curricular innovations, and materials that encourage differentiated instruction.

We have funded over \$400,000 in teacher classroom grants, building grants and special projects since 2004 and are proud to provide a \$5,000 Educate the Pride Grant to fund a major educational project within our Lansing Schools most school years. For the 2023-2024 school year, we were able to approve \$43,400 in grants to our district. For a full list of grant recipients, visit www.lansingedfoundation.org. These grants have been made possible through the generous donations made by USD 469 teachers and educational support staff!

Here is where you come in. We would love to see as many grants and requests fulfilled as are requested. Each year the number of grants increases. If each staff member donated \$1.00 per month, it would add up to more than \$420.00 a month, or \$5,040 a school year. Your classroom could benefit from such generosity! If you are willing and able to contribute monthly, please return the bottom portion of the form to Kara Thompson or Christine Motley in the Lansing District Office.

Sincerely in support of education,

Lansing Educational Foundation Board of Directors
