

WAYS TO GIVE

We would love to see as many grants and requests fulfilled as are requested. If you would like to contribute to Lansing Educational Foundation, we have several ways you can give.

- **AmazonSmile:**
AmazonSmile is a program that donates 0.5% of your eligible Amazon purchases to Lansing Educational Foundation. All you need to do is go to smile.amazon.com, choose Lansing Educational Foundation as your charity of choice, and start shopping. The donation is made at no extra cost to you. Though 0.5% is not a large donation and isn't intended to replace your regular charitable activities, AmazonSmile is still a great way to take advantage of a service you're already using.
- Cash or in-kind donations.
- CDs, stock, property or other hard to value assets including art or antiques of significant value.
- Securities, National Credit Cards - VISA, MasterCard, Discover, and American Express.
- Estate Bequests
- Real Estate, Life Insurance, Time or Talent!

A quick and easy way for USD469 staff to donate is by choosing automatic payroll deductions. If each staff member donated \$2.00 per month, it would add up to more than \$840.00 a month. That would be another \$10,080.00 per year!

If you are interested in signing up, fill out the form below and return it to Sharon Burns at the district office via email (Sharon.Burns@usd469.net) or interoffice mail.
