## 2019 FOOTBALL PROSPECT CAMPS

### MAY 18

The University of Saint Mary Spires Football is excited to host a prospect camp this summer—May 18. Campers will be instructed in football skill techniques, while also participating in drills to improve speed, agility, and position-specific skills. Each camper will have the opportunity to interact with current players and coaches, tour facilities, and compete against some of the best talent in the Midwest. Every camper will also receive an official Saint Mary Football T-shirt.

Our goal for the prospect camps is to have campers improve in their specific position—ultimately becoming more confident on the field and more developed elite athletes.
