2019 FOOTBALL YOUTH CAMP JULY 10

The University of Saint Mary Spires Football is excited to host a youth camp this summer—July 10. Campers will be instructed in football skill techniques, while also participating in drills to improve speed, agility, and position-specific skills. Each camper will have the opportunity to interact with current players and coaches, tour facilities, and compete against some of the best talent in the Midwest. Every camper will also receive an official Saint Mary Football T-shirt.

Our goal for the youth camp is to have campers improve in their specific position—ultimately becoming more confident on the field and more developed elite athletes.
