Strategic Planning Meeting #1

September 19, 2022

Welcome, and thank you for participating in today's important Strategic Planning event. Today's meeting will be the first of two that will be used to formulate our strategic plan for the Lansing School District.

Today's initial meeting will focus on hearing your ideas and suggestions in five stations: Human Capital, Student Performance, Comparable Strategic Plans, Accreditation, and Communication/Family Engagement.

This meeting will provide an opportunity for you to share your feedback on "big picture" items for our district. We look forward to hearing your concerns regarding large areas of focus for policies and procedures.

When we meet again on January 4th, we will "get into the weeds" to look at actionable items to accomplish the larger goals we will establish based on your feedback today.

Thank you again for your time and energy in shaping the future of Lansing USD469!
