SUPPORTING FAMILIES, RAISING FAMILIES

FosterAdopt Connect is a support for grandparents, relatives, and other caregivers. Caring for children unexpectedly can be overwhelming.

We come alongside you with one-on-one support from a team experienced in navigating the child welfare system.

WE CONNECT KINSHIP PROVIDERS TO RESOURCES SUCH AS:

- Advocacy
- Healthcare
- Finances
- Transportation
- Community Supports
- Legal referrals
- Educational assistance
- Enhance social supports
- And much more!

WE TAKE TIME ANSWER QUESTIONS SUCH AS:

- I need a larger home to raise my nephews. Is this even possible?
- My grandson is getting in trouble at school. What do I do?
- When I need help, who do I call?
- How do I become my granddaughter's legal guardian?
- I'm struggling with my family members. What do I do?
- How can I get my teenage grandson to help more around the house?

WHAT ELSE?

Our Sammy's Window clothing closet and food pantry help meet basic needs.
